

STARS IN ★ THE ARTS

presents “Illuminating Voices”, featuring works by emerging and established Jewish and Israeli artists. While some pieces explore identity and culture, others reflect a wide spectrum of contemporary themes. Through painting, and mixed media, the exhibition honors creativity, heritage, and modern expression.

Introducing the Nova Collection by Esek, featuring artworks from survivors of the Nova Music Festival. We are honored to have Shye Klein as our artist guest of honor, sharing special remarks of hope and healing with an artist talk.
