

presents: **Annette Back**

Annette Back, a mixed media artist grew up in Germany and moved to NYC to attend the School of Visual Arts. A career in graphic/web design ensued, culminating in Back running her own Design Firm for many years.

In a quest to discover her own voice rather than catering to clients, Back found herself craving the feeling of a paintbrush. Back tells visual stories inspired by experiences, current events and nature. A composition can be a figure conveying an emotion or moment, a geometrically infused landscape, or the beauty of an eye. Her works often include text, photographs and words.

Back has had two solo exhibits and has exhibited with Aqua Art Fair, Red Dot Miami, Affordable Art Fair, MvVo AD Art Show, Market Art+Design, Art on the Ave and various NY galleries. She has completed Art Residencies at Kunstraum and Cedar Lakes Estates. Her work is in private collections in the US and abroad.

ARTIST STATEMENT

Visual expression has always been my way of communicating, my childhood temperament was painfully shy and I was careful to speak up. I credit this mindset with honing my observation skills and looking at many layers of a situation. When creating art, expression is thoughtful and meaningful.

I paint narratives that resonate with emotions, often interpreting nature, shapes, and figures. My process involves transferring photos and text onto canvas, followed by layering transparent and opaque colors, lines, textures, patterns, and shades.

Following this process, I have developed a series of portraits depicting legends from various walks of life, incorporating their accomplishments. I boldly embrace a conceptual, multi-layered, and colorful approach, fostering a visual dialogue with viewers to forge meaningful connections.
